

# SAVE THE BROAD

## OUR RIVER. OUR FUTURE. UNDER THREAT.

A massive industrial project is being fast-tracked in Franklin Springs - without local consent or transparency.

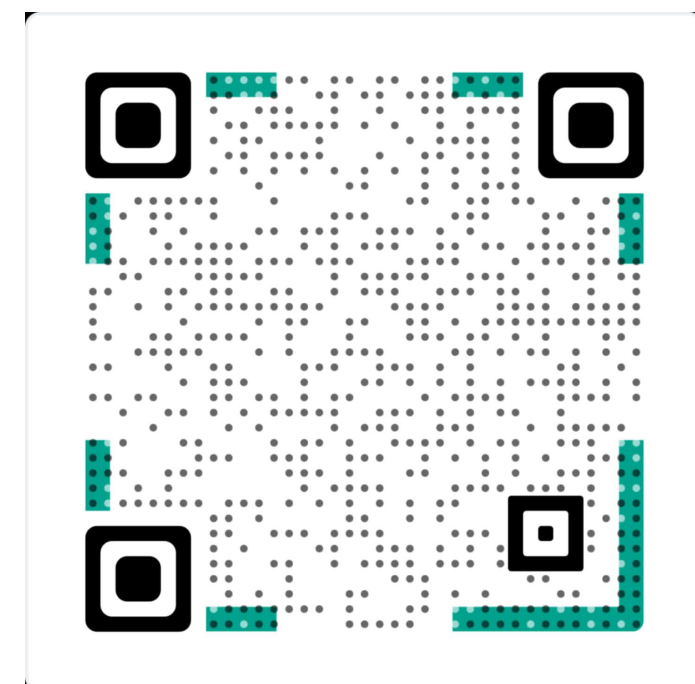

- **Up to 4 million gallons/day WASTEWATER PLANT**
- **Dozens of acres of WASTE PONDS**
- **Massive-scale RENDERING OPERATION**

This puts at risk:

- ✓ **Drinking water & river wildlife for 7 counties**
- ✓ **Air quality in nearby communities**
- ✓ **Our children's health and environment**

Take Action:

- ✓ **SIGN the petition**
- ✓ **HOST a sign in your yard**
- ✓ **JOIN us at public meetings**
- ✓ **DONATE to fund the fight**
- ✓ **VISIT [SaveBroadRiver.com](https://SaveBroadRiver.com)**
